My skill set encompasses HTML5, CSS, JavaScript, and React. Leveraging my background as a former Station Manager at IEC, I excel in both operational management and effective communication. My academic journey at CodeSpace ignited a passion for creative problem-solving within the tech realm. I am eager to contribute my skills to new projects while remaining dedicated to learning. Bolstered by my technical knowledge, I am actively seeking a dynamic software development team where I can flourish. The opportunity to bring my adaptable expertise and unwavering passion your company is genuinely exciting. Your consideration of my application is greatly appreciated.

Education

Front-end developer, CodeSpace

February 2023 - August 2023 | Cape Town, South Africa

Learned and used tech stacks such as HTML, CSS, JavaScript and JS frameworks(React, Vue, Tailwind). Built a portfolio website, used vanilla JavaScript to build a Bookstore web application. Also built a Podcast application in React and using different Libraries

BCom Economics and Information systems, UWC

February 2018 - November 2020 | Cape Town, South Africa

I was studying for a BCom degree in Economics and information systems at the University of the Western Cape From 2018 to 2020. This gave me my first encounter with technology that sparked my passion. However, I was unable to complete the degree.

Matric Certificate, Graeme College

November 2013

Professional Experience

English Online Teaching, iTalki

January 2021 - January 2022 | Cape Town, South Africa

Taught English online to numerous students from around the world who had a keen interest to learn. Had to prepare lessons and activities for the students too.

Station Manager, IEC

August 2021 - August 2021 | Cape Town, South Africa

Responsible for running local elections at the station and being the person of point for all parties involved.

Math Tutor, Self-employed

January 2022 - December 2022 | Cape Town, South Africa

I tutored math in my neighborhood that required me to plan, prepare and set activities for the students.
